

Table S1. Developed sites (type, name, and counts) constituting the 1998 baseline and subsequent changes per Bear Management Subunit inside the Grizzly Bear Recovery Zone. Developed sites that have changed since 1998, are new since 1998, or closed since 1998 are shaded, italicized and in parentheses. Total counts per subunit for 1998 vs current conditions are listed under the subunit name.

Subunit	Admin Unit ⁱ	1998 Status	Current count	Name and type of developed sites
Bechler/Teton #1 (58 vs 58 total)	CTNF	28	28	Campground: Cave Falls. Trailhead: Coyote Meadows, Hominy Peak, South Boone Creek, Fish Lake, and Cascade Creek. Major Developed Site: Loll Scout Camp and Idaho Youth Services Camp. Administrative: Squirrel Meadows guard station/cabin, Porcupine guard station, Badger Creek seismograph site, and Squirrel Meadows guard station/WGF cabin. Other: Grassy Lake dam, Tillery Lake dam, Indian Lake dam, Bergman Res. dam, Loon Lake dispersed sites, Horseshoe Lake dispersed sites, Porcupine Creek dispersed sites, gravel pit/target range, Boone Creek dispersed sites, Tillery Lake oil & gas camp, Calf Creek oil & gas camp, Bergman oil & gas camp, Granite Creek cow camp, Poacher’s trailhead, Indian Meadows trailhead, and McRenolds Res. trailhead/wildlife viewing area/dam.
	GTNP	24	24	Campground: Grassy Lake Road campsites (8 individual car camping sites). Trailhead: Glade Creek, Lower Berry Creek, and Flagg Canyon. Major Developed Site: Flagg Ranch complex. Administrative: Flagg Ranch Ranger Station, Flagg Ranch employee housing, and Flagg Ranch maintenance yard. Other: Upper Berry, Lower Berry, and Moose Basin patrol cabins; Hechtman Horse Camp, Warm Springs group campsite, Wilcox Point campsite #1, Warm Springs individual campsite, Flagg Ranch boat launch, and Yellowstone South Entrance boat launch.
	YNP	6	6	Trailhead: 9K1 and Cave Falls. Administrative or Maintenance Site: South Entrance and Bechler Ranger Stations. Other: Union Falls and Snake River picnic areas.
Boulder/Slough #1 (20 vs 14 total)	CGNF	20	14	Campground: Hicks Park. Trailhead: Goose Lake, Upsidedown Creek, Independence, Sheep Creek, Copper Creek, Bridge Creek, and Box Canyon. Administrative: Box Canyon administrative cabin. Other: 2 recreation residences (Rasnick and Mandeville), Independence mine site (no plan of operations). Plans of Operation: Carolyn Sluice Box, Cray Sluice, <i>(East Iron Mtn Beartooth Plateau 1, East Iron Mtn Beartooth Plateau 2, Iron Mountain Idaho Construction Metal, Crescent Creek Pan Palladium, Crescent Creek Chromium Corp America, and Crescent Creek Beartooth Platinum - all 6 Plans closed in 2013).</i>
Boulder/Slough #2 (9 vs 9 total)	CGNF	2	2	Administrative: Slough Creek cabin and Buffalo Fork cabin.
	YNP	7	7	Campground: Slough Creek. Trailhead: Specimen ridge, Slough Creek, and Lamar Ford. Administrative: Elk Tongue and Lower Slough patrol cabins. Other: Yellowstone River picnic area.
Buffalo/Spread Creek #1 (18 vs 18 total)	BTNF	4	4	Campground: Pacific Creek CG/TH. Trailhead: Colter Dump. Other: Teton Horseback Adventures, Shoal Creek Outfitters Base Camp
	GTNP	14	14	Campground: Lizard Creek. Trailhead: Grand View Point, Two Ocean Lake, Christian Pond, Arizona Lake, Arizona Creek #1, Arizona Creek #2, and Pilgrim Creek. Major Developed Site: Moran Entrance Station housing and Jackson Lake employee housing. Administrative: Buffalo Fork Ranger Station. Other: Moran Post Office, Moran school, and Colter Bay storage/staging area.

Supplemental Table 1 S1. Developed Sites Constituting the 1998 Baseline and Current Status

Last updated: 8/22/2016

Table S1. Developed sites (type, name, and counts) constituting the 1998 baseline and subsequent changes per Bear Management Subunit inside the Grizzly Bear Recovery Zone. Developed sites that have changed since 1998, are new since 1998, or closed since 1998 are shaded, italicized and in parentheses. Total counts per subunit for 1998 vs current conditions are listed under the subunit name.

Subunit	Admin Unit ⁱ	1998 Status	Current count	Name and type of developed sites
Buffalo/Spread Creek #2 (22 vs 20 total)	BTNF	22	20	Summer Home Complex: Turpin Meadows. Campground: Hatchet, Turpin Meadows, (<i>Angles CG/TH and Box Creek CG/TH - campgrounds closed 2014, trailheads remains</i>). Trailhead: (<i>Angles and Box Creek - reclassified as trailhead, 2014</i>), Turpin Meadows, Lava Creek, Clear Creek. Major Developed Site: Heart Six Ranch, Turpin Meadows Ranch, and Togwotee Lodge. Administrative: Buffalo Ranger District Office, Buffalo Ranger District compound (Includes a gravel pit), Enos Lake patrol cabin, Nowlin Meadows patrol cabin; Hatchet administrative site. Other: (<i>UW Forestry Walk VIS and Four Mile Picnic Area - closed to mitigate for composting site</i>), Lost Lake information station, Togwotee Overlook, Historic ranger station; (<i>Blackrock Administrative Area Composting Site/Terra Firma Landscaping and Organics - New since 1998, closed 2009</i>). Plans of Operation: gravel pit
Crandall/Sunlight #1 (23 vs 23 total)	CGNF	9	9	Campground: Chief Joseph and Ovis Lake Road Camp. Trailhead: Broadwater and Clarks Fork Foot. Other: Arbor Day watchable wildlife site, Kersey Lake rental cabin/boat dock, Round Lake rental cabin/warming hut, Clarks Fork fishing platform/interpretive exhibit, and 1 recreation residence (summer home).
	SNF	14	14	Campground: Beartooth and Island Lake. Trailhead: Beartooth Lake, Island Lake, Clay Butte, Muddy Creek, and Morrison Jeep. Major Developed Site: Top of the World store complex. Administrative: YNP highway maintenance site (includes 2 summer residences). Other: Island Lake Boat Ramp, Beartooth Lake Boat Ramp, Clay Butte Lookout, Pilot/Index Overlook, and Beartooth Lake picnic area.
Crandall/Sunlight #2 (18 vs 18 total)	CGNF	0	0	No Developed Sites
	SNF	18	18	Campground: Fox Creek, Lake Creek, Hunter Peak, Crazy Creek and Lily Lake. Trailhead: Pilot Creek, Clarks Fork, North Crandall, and Crazy Creek. Major Developed Site: K-Z Lodge complex. Administrative: Crandall work center (2 residences, office, shop and bunkhouse), and Crandall WGF cabin. Other: Crandall waste transfer site, Clarks Fork overlook, Lily Lake boat ramp, Swamp Lake boat ramp, and Reef Creek picnic area. Plan of Operation: Ghost Creek commercial sale gravel pit.
Crandall/Sunlight #3 (11 vs 11 total)	SNF	8	8	Campground: Dead Indian and Little Sunlight. Trailhead: Little Sunlight trailhead/corrals, Dead Indian, and Hoodoo Basin/Lamar. Administrative: Sunlight Ranger Station. Other: Sunlight picnic area, and Sunlight Bridge overlook.
	WGF	3	3	Campground: WGF Sunlight Unit #1 and WGF Sunlight Unit #2. Administrative: WGF Sunlight Management complex.
Firehole/Hayden #1 (26 vs 26 total)	YNP	26	26	Campground: Madison Junction. Trailhead: Nez Perce Creek, 7-Mile Bridge, Fountain freight Road, Lone Star, and OK5. Major Developed Site: Old Faithful complex. Administrative: Norris employee housing /government area, Norris hot mix plant, Madison employee housing /government site, Mesa gravel pit; Mary Lake patrol cabin, and Nez Perce patrol cabin. Other: 12 picnic areas (Norris, Gibbon Meadows, Tuft Cliffs, Gibbon Falls, Madison, Buffalo Ford, Cascade, Firehole Canyon, Nez Perce, Feather Lake, Goose Lake, and Excelsior); and Norris Geyser Basin Museum.

Supplemental Table 1 S1. Developed Sites Constituting the 1998 Baseline and Current Status

Last updated: 8/22/2016

Table S1. Developed sites (type, name, and counts) constituting the 1998 baseline and subsequent changes per Bear Management Subunit inside the Grizzly Bear Recovery Zone. Developed sites that have changed since 1998, are new since 1998, or closed since 1998 are shaded, italicized and in parentheses. Total counts per subunit for 1998 vs current conditions are listed under the subunit name.

Subunit	Admin Unit ⁱ	1998 Status	Current count	Name and type of developed sites
Firehole/Hayden #2 (15 vs 15 total)	YNP	15	15	Campground: Bridge Bay. Trailhead: Divide, Beach Lake, and De Lacy Creek. Major Developed Site: Lake complex. Administrative: Lake gov't area and Bridge Bay Marina. Other: Gull Point, Sand Point, and 6 additional lakeshore picnic areas.
Gallatin #1 (4 vs 4 total)	YNP	4	4	Trailhead: Black Butte (WK2), Specimen Creek (WK3), and Bighorn Pass (WK6). Administrative: Daly Creek patrol cabin.
Gallatin #2 (21 vs 21 total)	YNP	21	21	Campground: Mammoth and Indian Creek. Trailhead: Rescue Creek, Lava Creek, Golden Gate, Bunsen Peak, and Fawn Pass. Major Developed Site: Mammoth complex. Administrative: Stephens Creek employee residence, (<i>Gardiner gravel crusher/asphalt site - closed to compensate for the new Heritage Research Center in Gardiner</i>), (<i>Heritage Center – new since 1998</i>); Xanterra headquarters site in Gardiner, Lower Mammoth employee housing area, YCC employee housing area, Indian Creek gravel pit, Deaf Jim patrol cabin (burned in 2001), North Entrance Ranger Station, Fawn Pass patrol cabin, Winter Creek patrol cabin, Bunsen Peak radio repeater site, and Mt Holmes fire lookout. Other: Sheepeater picnic area.
Gallatin #3 (18 vs 18 total)	CGNF	18	18	Campground: Tom Miner and Red Cliff. Trailhead: Buffalo Horn, Sphinx Creek, Elkhorn, Wilson Draw, Tom Miner, Tom Miner Horse Facilities, Sunlight, Twin Cabin, and Tepee Creek. Administrative or Maintenance: Buffalo Horn cabin. Other: Corwin Spring fishing /boat access, Yankee Jim fishing access/boat ramp, Elkhorn River Ford horse access, Windy Pass rental cabin, Yankee Jim picnic area, and Porcupine Creek recreation residence.
	YNP	0	0	No Developed Sites
Hellroaring/Bear #1 (36 vs 36 total)	CGNF	34	34	Campground: Eagle Creek, Bear Creek, Timber Camp, and Canyon. Trailhead: Cedar Creek, La Duke, Little Trail Creek, Pine Creek, Palmer Mt. (3 trailheads), North Fork Bear Creek, Joe Brown, Bear Creek, and Sixmile. Administrative: OTO Ranch, Blanding Station house/barn/horse facility, and Hayes/McPherson property. Other: Eagle Creek horse facility, La Duke picnic area, La Duke bighorn sheep watchable wildlife site, 1 recreation cabin, Lonesome Pond camping area, McConnell fishing and boat access, watchable wildlife/big game winter range site, and watchable wildlife/fish site. Plans of Operation: Counts, Mineral Hill Mine (5 distinct plans), Independence, and Livingston.
	YNP	2	2	Trailhead: Crevice. Other: Crevice cabin
Hellroaring/Bear #2 (4 vs 4 total)	CGNF	2	2	Trailhead: West Fork Mill Creek. Administrative: Hellroaring cabin/tack shed.
	YNP	2	2	Administrative: Buffalo Plateau and Hellroaring patrol cabins.
Henrys Lake #1 (20 v 19 total)	CTNF	20	19	Summer Home Complex: Big Springs North, Big Springs South. Campground: Big Springs, Flat Rock, and Upper Coffee Pot. Trailhead: Howard Creek. Administrative: Sawtelle Peak Electronics Site, Keg Springs Seismograph Site, Big Springs Fire Tower. Other: Big Springs Interpretive Trail, Big Springs Bridge Fish Viewing, Johnny Sack Cabin, Big Springs Boat Ramp, Big Springs Snow Park/Warming Hut, Macks Inn Water Treatment Plant, Macks Inn Substation, County/State Sheds Complex, FAA Maintenance Sheds, Cold Springs Substation. Plans of Operation: (<i>Willow Creek Mining Site - closed in 2009</i>).

Table S1. Developed sites (type, name, and counts) constituting the 1998 baseline and subsequent changes per Bear Management Subunit inside the Grizzly Bear Recovery Zone. Developed sites that have changed since 1998, are new since 1998, or closed since 1998 are shaded, italicized and in parentheses. Total counts per subunit for 1998 vs current conditions are listed under the subunit name.

Subunit	Admin Unit ⁱ	1998 Status	Current count	Name and type of developed sites
Henrys Lake #2 (18 vs 18 total)	CGNF	14	15	Summer Home Complex: Clark Springs (8 lots), Rumbaugh Ridge (5), Romsett (9), Lonesomehurst A, Lonesomehurst B. Campground: Lonesomehurst, Cherry Creek, Spring Creek. Trailhead: Basin, Watkins Creek, Targhee Pass, West Denny Creek. Other: Basin rental cabin, Lonesomehurst boat ramp, <i>(Reas Pass day use site - added in 2006)</i> .
	CTNF	4	3	Trailhead: Targhee Creek. Administrative: <i>(Defosses Cabin - removed in 2011)</i> . Other: Howard Springs Family Picnic/Wayside Area. Plans of Operation: Turquoise Mountain Mine
Hilgard #1 (14 vs 11 total)	BDNF	3	1	Administrative: McAtee Cabin, <i>(Indian Creek Cow Camp and Shedhorn Cow Camps - closed in 2007)</i> .
	CGNF	11	10	Trailhead: Upper Buck Ridge, Cinnamon, Meadow Creek Cutoff, Cache Creek, Lower Buck Ridge, and <i>(Taylor Falls/Lightning Creek - moved to Hilgard #2 in 2005)</i> . Major Developed Site: Covered Wagon Ranch complex. Administrative: Cinnamon cabin and Cinnamon Mountain lookout. Other: Yellow Mule rental cabin and Buck Creek recreation residence.
Hilgard #2 (9 vs 10 total)	CGNF	6	7	Trailhead: Eldridge, Wapiti, Lower Wapiti/Albino Lake, and Sage/Elkhorn. <i>(Taylor Falls/Lightning Creek - moved here from Hilgard #1 in 2005)</i> . Administrative: Eldridge Cabin. Other: Wapiti rental cabin.
	YNP	3	3	Trailhead: WK1, WK5, and WK4.
Lamar #1 (37 vs 36 total)	CGNF	26	26	Campground: Soda Butte and Colter. Trailhead: Abundance Lake/Upper Stillwater, Republic Creek, Lower Lady of Lake, Lady of Lake #1, Woody Pass, Daisy Pass and Wolverine Pass. Administrative: Cooke City guard station/warehouse, 2 nd Forest Service warehouse, highway borrow pit, mine tailings repository, old mine buildings, and mine reclamation pond. Other: Cooke City dump (SUP), Beartooth Highway interpretive site, and Cooke City burn pile. Plans of Operation: Cray Placer and 7 distinct New World mines.
	SNF	0	0	No Developed Sites
	YNP	11	10	Campground: Pebble Creek. Trailhead: 3K1, 3K3, 3K4, Trout Lake, and Lamar Ford. Administrative: Northeast Entrance Ranger Station (and supporting government operation), Lamar Buffalo Ranch Ranger Station/Institute, and the Cache Creek patrol cabin. Other: Warm Creek picnic area and <i>(Buffalo Ranch/Lamar River picnic area - closed in 2000)</i> .
Lamar #2 (4 vs 4 total)	YNP	4	4	Administrative: Calfee Creek, Upper Miller Creek, Cold Creek, and Lamar Mountain patrol cabins.
Madison #1 (21 vs 20 total)	CGNF	21	20	Campground: Cabin Creek. Trailheads : Potamogeton, West Fork Beaver Creek, Whits Lake, Johnson Lake, Tepee Creek, Red Canyon, Kirkwood, Cub Creek, Fir Ridge, Hebgen Mountain and Cabin Creek. Administrative: Building destruction site. Other: gravel pit, <i>(Tepee Creek snowmobile parking area - removed in 2007)</i> , Beaver Creek watchable wildlife site, Beaver Creek rental cabin, Cabin Creek rental cabin, Hebgen Dam fishing access and administrative site, Yellowstone Holiday picnic area, and North Shore picnic area.
	YNP	0	0	No Developed Sites.

Table S1. Developed sites (type, name, and counts) constituting the 1998 baseline and subsequent changes per Bear Management Subunit inside the Grizzly Bear Recovery Zone.
